Team Albania – Fall 2021

We have the opportunity to travel to Albania in Southeastern Europe this fall. Building on past years, we will be teaching the Gospel of Jesus and worshipping God on two fronts: camp-style sessions with high schoolers, and a weekend retreat with Cru Albania staff focused on teaching Re:generation recovery.

The Re:gen team will also be celebrating its first class of Albanians to commence from the Re:gen program following 12 months of curriculum and leader training. This team will also be joined by the Bozydaj's, our friends from Poland Cru staff who have participated in Re:gen in Poland.
